Continue up the hill, going past GLENHURST etc
(JSJ WORKSHOP will be signed, too)

Photo 5

After a total of 0.7 mile (RIGHT AT THE TOP OF THE INTERMINABLE HILL!) you should see a red post box on the right, outside Thorn Cottage in the middle of a right hand bend. Just below the sign post saying GWENNAP PIT ¼ you will see
(Another JSJ WORKSHOP sign)

Turn LEFT. There is a road opposite the post box which is signed as unsuitable for wide vehicles – take this road for a few yards and turn first right.

The Gables is the second property on the left, please drive in and up the pathway to the workshop door and unload, before driving to the end and parking up.
Please don't block the road by parking on it. If you must leave urgently, park in the first area on the left but only if there is enough room.
